## Message from your Engagement Officer PC Pete Davison

We often receive complaints about traders cold calling at the door and telling homeowners that their trees or roof or drains are unsafe and need work - it is at this time of the year that we see more incidents. The work is often of poor quality and the price dramatically increased because the trader "helpfully" found other work that also had to be done! We receive similar calls about driveway work, gardening and roof cleaning.

Trading Standards' advice is never to have work done by anyone who cold calls. No reputable trader ever approaches a customer in this way. If you think you need work, please use a recommendation from friends / neighbours or contact the Citizen's Advice Consumer Service on 03454 04 05 06. They will be able to help you find a reputable trader from the Trading Standards Buy With Confidence list. Always obtain three quotes to check if the price is competitive and if the work really needs doing and never rely on the word of a single trader.
