## Message from you local Inspector, Teresa Futter

I hope everyone had a peaceful New Year. Our officers were deployed throughout the festive season continuing to provide a 24 hour emergency response service as well as demonstrating the best of community policing. I reported last month that there had been some local concerns following recent burglaries. Patrol officers and your Beat Manager, PC Tom Gibbs, are continuing to conduct targeted patrols in the evenings and overnight around Stalham and local villages to deter further offences. Instances of burglary dwelling have declined significantly in recent weeks but the public are urged to remain vigilant and report any suspicious activity, persons or vehicles to the police. We will be running Special Constabulary recruitment events over the next few months so if you are interested in helping out locally then this could be an opportunity for you. Please contact your Engagement Officer, PC Pete Davison, for further information - you can find his contact details overleaf.

### Message from your Engagement Officer, PC Pete Davison

Our drones have become a vital resource to the Constabulary, and since their introduction in 2017 have been involved in searching, locating and saving the lives of a significant number of people. With the introduction of our latest drones, we now have the capability to deploy in all weather conditions, day or night. The drone allows us to search large areas, quickly and efficiently and environments that would ordinarily be too dangerous, such as rivers, wetlands, or demolition sites. Here in North Norfolk two of our Beat Managers are now being trained as Drone Pilots this will also allow us to deploy the drones to assist with local policing priorities such as Marine Crime.

*Pete.*
